		Single Tank	\$2,000		
	Stationary Single Tank Door	Dump and Fill or Other	\$1,000		
		Pot Pan Utensil	\$750		
Under Counter		\$200			
Electric Griddle	N/A		\$150 per linear foot	Must be single or double-sided electric model controlled by thermostat. Manually-controlled griddles and fry-top ranges are ineligible.	
Electric Fryer	Standard & Large Vat		\$250	Must be an electric open deep-fat fryer.	
Hot Food Holding Cabinet	Half-size		\$125	Must be glass or solid-door cabinets (fully-enclosed compartment with one or more doors). Dual function equipment (e.g., cook-and-hold and proofing units), heated transparent merchandising cabinets and drawer warmers are ineligible.	
	Full-size		\$800		
Ice Machine	IHR 50 - 1,000		\$100	Must be air-cooled batch or continuous-type (i.e., flake and nugget). Designs include ice-making head (IMH), self-contained (SCU) & remote condensing units. IHR = Ice Harvest Rate.	
	IHR 1,001 - 1,500		\$200		
	IHR > 1,500		\$325		
Low-Flow Spray Nozzle	N/A		\$50	Must have electric water heating.	
Reach-In Refrigerator	V < 15	1 Door	\$100	Unit door can be solid, glass or mixed solid/glass.	
	15 ≤ V < 30	1 Door	\$150		
	V ≥ 30	2 to 3 Door	\$200		
Reach-In Freezer	Solid Door	V < 15	1 Door	\$100	Prep tables, deli cases, open-air units, laboratory-grade equipment and refrigerator/freezer combination units are ineligible. V = volume of potential unit, measured in cubic feet.
		15 ≤ V < 30	1 Door	\$250	
		30 ≤ V < 50	2 Door	\$275	
		V ≥ 50	3 Door	\$300	
	Glass Door	V < 30	1 Door	\$100	
		30 ≤ V < 50	2 Door	\$150	
		V ≥ 50	3 Door	\$200	
Steam Cooker	N/A		\$750	Must be electric model for countertop, wall or floor-mount (on a stand, pedestal or cabinet-style base) use. Hybrid models are ineligible.	

Specialty Kitchen Equipment		
Equipment Category	Incentive	Requirements
Kitchen Exhaust Hood Demand Ventilation	\$700 per HP	See worksheet for more details, available at: https://hawaiienergy.com/for-business/rebates/commercial-kitchen
HVAC Packaged / Split / VRF	\$60 - \$250 per ton	See worksheets for more details, available at: https://hawaiienergy.com/for-business/rebates/hvac

Additional Offers		
Equipment Category	Incentive	Requirements
EC Motors	\$85 per motor	Participating Contractors will provide material and labor for new motors. EC motors replacing standard efficient shaded pole motors installed in existing refrigeration cases up to 1HP in size may qualify.
Lighting	Varies	Participating Contractors will provide material and labor for new LED lighting.
