

BEAT RISING HOME ENERGY COSTS WITH ENERGY REBATES

THESE SAVINGS REALLY HIT HOME!

Hawai'i Energy

WATER HEATING

Save up to 40% on your home's electric bill simply by switching to a more efficient water heater. Find more water heating options at [HAWAIIENERGY.COM/WATER-HEATING](https://www.hawaiienergy.com/water-heating)

Heat Pump Water Heaters **\$500 INSTANT REBATE**

Heat pump water heaters are twice as efficient as conventional electric models. Get an instant in-store rebate toward a qualifying ENERGY STAR® model.

Get our **FREE Heat Pump Water Heater guide** Available at [HAWAIIENERGY.COM/HEAT-PUMP](https://www.hawaiienergy.com/heat-pump)

Solar Water Heater **\$1,250 INSTANT REBATE**

Solar water heaters are the greenest, most efficient option and provide savings for decades to come. Get an instant rebate toward a new system plus state and federal tax credits.

Already have solar? **\$200 INSTANT REBATE** Now available toward a tune-up every 5 years.

COOLING

A/C usage can be as much as half of your monthly electricity consumption. Find more cooling options at [HAWAIIENERGY.COM/COOLING](https://www.hawaiienergy.com/cooling)

Central AC Retrofit **\$1,000 INSTANT REBATE**

Have an older central air conditioner? Upgrade to a newer model to reduce energy usage by 30-50%.

Mini-Split AC **UP TO \$450 INSTANT REBATE**

Mini-Split ductless air conditioners are a great multi-room solution. They efficiently cool only the rooms you want or need to cool in your home.

AC Tune-Up **\$75 INSTANT REBATE**

Maintenance can extend the life of your central or split AC system for an average of 5 years. Pro tip: schedule for the fall/winter to avoid the summer rush.

Window AC **UP TO \$45 INSTANT REBATE**

Use up to 15% less energy than conventional models with an ENERGY STAR Window AC. Purchase a qualifying model from a participating retailer for this instant rebate.

Whole House Fan **\$100 REBATE**

Whole house fans draw cool air in and push hot air out to cool your home. They use up to 90% less energy than central air conditioners.

Solar Attic Fan **\$75 REBATE**

A solar attic fan is similar to a whole house fan except it's powered by the sun. It can also cool your roof and reduce the load on your air conditioning system, saving energy.

SAVE EVEN MORE WITH ENERGY STAR®

Look for the ENERGY STAR logo for longer-lasting products with the most energy savings: at least 10% more efficient than conventional models.

Fridge Trade-Up **\$250 REBATE**

Receive a \$250 rebate when you purchase a new ENERGY STAR fridge and have the retailer haul away your old working fridge.

Rid-A-Fridge \$75 CASH REBATE for recycling a second old fridge or freezer. Haul-away of the old unit is provided at NO COST! Cannot be combined with Fridge Trade-up.

LED Light Bulbs **INSTANT REBATES**

ENERGY STAR-certified bulbs save up to 90% on lighting energy costs. For the latest lighting promotions, sign up for our e-newsletter at [HAWAIIENERGY.COM/NEWSLETTER](https://www.hawaiienergy.com/newsletter).

Pool Pump **\$150 REBATE**

ENERGY STAR-certified variable frequency drive (VFD) pool pumps can reduce your pool's energy use by up to 75%.

SOME INSTANT REBATES REQUIRE A PARTICIPATING CONTRACTOR TO PERFORM THE SERVICE

To find one near your home visit [HAWAIIENERGY.COM/FIND-A-CONTRACTOR](https://www.hawaiienergy.com/find-a-contractor)

VISIT [HAWAIIENERGY.COM/REBATES](https://www.hawaiienergy.com/rebates) OR CALL US TOLL-FREE 1-877-231-8222

All rebates are available while funding lasts and are subject to change. Eligibility differs by program and offer.
